NH Multi-Tiered System of Supports  
for Behavioral Health and Wellness

# NH MTSS-B Framework Training

**NOV 4 | NOV 18 | DEC 2**

**Granite State College**  
Concord NH | 8:30am - 3:30pm

**FREE TO ATTEND!**

## WHAT TO EXPECT

A 3-day interactive training that explores how to support student social-emotional and behavioral health needs through an integrated school-community tiered prevention framework.

This training is designed for school district and building-level administrators, student wellness coordinators/directors, behavioral health specialists, youth-serving community partners, and other engaged MTSS-B stakeholders.

Or scan QR Code below

## DAY 1

Assessing behavioral and SEL needs, determining MTSS-B fit; mobilizing integrated school-community teams

## DAY 2

Using data to inform MTSS-B action planning; implementing Tier 1 school-wide social-emotional learning and behavioral supports

## DAY 3

Developing systems to support screening, referral, and Advanced Tier supports/services; prioritizing data-based progress monitoring and improvement
