**Advanced Tier (2/3)  
Strategies**

**9am-3:30pm**

Hotel Concord  
Concord, NH

**for Tier 2/3 Teams**

## WHAT TO EXPECT

In this 3-part training, NH school-level tiered teams will learn best practices for MTSS-B Schoolwide/Tier 1 and Advanced Tier (2/3) systems development, with structured team planning time. The series will begin with an orientation via Zoom followed by two in-person training days: Day 1 Schoolwide/Tier 1 strategies and Day 2 Advanced Tier (2/3) strategies.

**Schools may choose to send teams to both in-person days or just one.** The online Orientation "Training Prep" is **mandatory** for all participants; the "Intro to MTSS-B" is **optional**.

## WHO SHOULD ATTEND?

School-level teams who are currently implementing or preparing to implement MTSS-B. Teams should bring **at least 2 but a maximum of 8** (ideally 4-5) members, including MTSS-B leads, administrators, behavioral health providers, teachers, and/or partnering community mental health representatives.
